BANTAY TIKOM REWIND: Layon ng hindi umusad na "Anti-Selfie Bill" noong 2014 ang maprotektahan ang mga tao mula sa "privacy intrusion" o ang pagkuha ng kanilang larawan o video habang nasa isang pribadong lugar nang walang permiso.

Isa bahagi lamang ito ng archive copy ng panukala na makikita sa website ng **House of Representatives of the Philippines**.

Inihain ni noo'y Cagayan De Oro Rep. Rufus Rodriguez ang panukala dalawang taon matapos pirmahan ni late Pres. Benigno "Noynoy" Aquino III ang European-modelled na Republic Act 10173 o ang Data Privacy Act of 2012 at dalawang taon bago maitatag ang **National Privacy Commission**.

Umani ng batikos ang Anti-Selfie Bill mula sa mga mamamahayag, at tinawag pang banta sa press freedom.

Fast forward sa 2026, viral sa social media ngayon ang data privacy issue sa pagvo-vlog ni **MMDA** official Gabriel Go sa paghuli sa isang naka-motorsiklong guro na lumabag sa "No Helmet No Run" policy.

Usap-usapan kasi ngayon ang ligalidad ng pagkuha, upload, livestream o broadcast ng mga larawan at video ng mga tao nang walang pahintulot mula sa kanila kahit nasa mga pampublikong lugar at kalsada, lalo na kapag tumanggi ang kinukuhanan.

Usap-usapan kasi ngayon ang ligalidad ng pagkuha, upload, livestream o broadcast ng mga larawan at video ng mga tao nang walang pahintulot mula sa kanila kahit nasa mga pampublikong lugar at kalsada, lalo na kapag tumanggi ang kinukuhanan.

Bahagi pa rin ito ng nagpapatuloy na trend ng pagdami ng mga binu-blur na eksena sa balita bilang pag-iwas sa posibleng data privacy issue, hindi katulad noong bago mag-pandemic.

Kabilang rito ang ilang sensitibong detalye sa SALN ng mga pulitiko, mukha at pagkakakilanlan ng mga suspek at traffic violators, mga estudyante sa paaralan at kalsada, mga pirma sa government orders (mula republic act hanggang local ordinance), at iba pa.

May kaugnayan din ang isyu kay Go sa isang 2025 circular ng NPC na tumuturing sa pagkuha ng larawan at video ng mga tao sa pampublikong lugar ng mga vloggers gamit ang bodycam at iba pang "alternative recording devices" bilang isang uri ng personal data processing.

BAGONG PILIPINAS
STATEMENT
July 16, 2026
The post of China Daily depicting the Filipinos as monkeys, is a revealing insight into what the Chinese communist apparatus thinks of the Filipino people.
This mockery of the lawful 2016 Arbitral Award and the video's glorification of violence against the Filipino people and soldiers expose the moral and intellectual bankruptcy of China's propaganda machine.
Such contemptible propaganda is a disgrace to any State that claims to exercise responsible regional leadership. It reveals the weakness of a government that resorts to racism, threats, and manufactured hatred because it has utterly failed to defend its ridiculous claims through reason, evidence, or law.
We are justified in our policy of no Ministerial or AFP defense engagements or contacts with the CCP or any of its agencies.
The recent spate of schizophrenic behavior of the Chinese Communist Party is too clear to disregard or to ignore. This latest act of dehumanization further reveals them as neither a secure and confident actor nor a trustworthy neighbor.
Pilipinas huwag magpalinlang! Ang nalilinlang ay nasisiil.

ROMUALDEZ REPORTEDLY BEING CONSIDERED BY MARCOS AS POSSIBLE VICE PRESIDENTIAL REPLACEMENT IF VP SARA IS IMPEACHED

House Speaker Martin Romualdez is reportedly being considered by President Ferdinand “Bongbong” Marcos Jr. as a possible nominee for vice president should Vice President Sara Duterte be removed from office through impeachment.

The claim comes amid continuing political discussions surrounding the impeachment complaints filed against Duterte.

No official confirmation has been issued by Malacañang or Romualdez regarding the alleged nomination.

Supporters of the vice president have criticized the possibility, while political analysts say any change in the country’s second-highest office would depend on the outcome of the impeachment process and the constitutional procedures that follow.

DATING EDITOR-IN-CHIEF NG LOCAL PUBLICATION SA CEBU, SUMUKO SA CIDG

Sumuko sa mga awtoridad ang dating editor-in-chief ng isang local publication sa Cebu at Bacolod na si Marchel Espina kaugnay ng kinahaharap na kasong unjust vexation.

Naglabas ng arrest warrant ang Batangas court laban sa mamamahayag dahil sa naturang kasong inihain ng local leader ng isang religious group.

Nag-ugat ito sa opinion piece na isinulat ng isang contributor at inilathala noong Dec. 2024 kung kailan nagsisilbi pang EIC si Espina.

Nakapagpiyansa na ng P6,000 si Espina.

Kinondena naman ito ng National Union of Journalists of the Philippines (NUJP) at sinabing hakbang ito para sindakin at patahimikin ang media.

'KARAOKE SHOW'

READ: https://l.cdn.ph/6xWfBQ

LOOK: Screenshots from an AI-generated video of China Daily that the DFA has asked to be taken down.

The caption of the video reads: "The louder certain Philippine politicians sing, the further they stray from the truth. Ten years on, the so-called South China Sea arbitration award remains no remedy for peace, but a source of confrontation dressed up as law. "The Philippine Politicians' Karaoke Show" lays bare the farce: by clinging to external forces and stirring up trouble in the South China Sea, they are turning their country into a pawn in someone else's geopolitical game" #CDNDigital

PADILLA CONDEMNS CHINA DAILY'S AI VIDEO DEPICTING FILIPINOS AS MONKEYS... See more

REPUBLIC OF THE PHILIPPINES
Senate of the Philippines

OFFICE OF SENATOR ROBINHOOD C. PADILLA

OPISYAL NA PAHAYAG
17 HULYO 2026

Ang Tanggapan ni Senador Robinhood "Robin" Padilla ay sumusuporta sa pahayag ng Kagawaran ng Ugnayang Panlabas na mariing kumokondena sa mapanlait, mapanghamak, at may bahid ng rasismong gawang-AI na nilalaman at editoryal na materyales na inilathala ng China Daily kaugnay ng 2016 South China Sea Arbitral Award.

Ang kalayaan sa pagpapahayag at pampulitikang diskurso ay hindi kailanman maaaring maging dahilan upang yurakan ang dignidad ng isang lahi o bansa. Ang paglalarawan sa mga Pilipino sa isang mapanlait at nakababababang paraan ay hindi katanggap-tanggap at nararapat lamang na kondenahin.

Matagal nang paninindigan ni Senador Padilla na bagama't mahalaga ang pagpapanatili ng maayos na ugnayan, dayalogo, at kooperasyon sa lahat ng bansa—kabilang ang Tsina—hindi kailanman dapat isakripisyo ang dangal, soberanya, at karangalan ng sambayanang Pilipino.

Ang anumang hindi pagkakasundo sa pagitan ng mga bansa ay dapat lutasin sa pamamagitan ng diplomasya, paggalang sa pandaigdigang batas, at mahinahong pag-uusap—hindi sa pamamagitan ng propaganda na naglalayong hamakin ang isang buong mamamayan at sirain ang tiwala sa isa't isa.

Kasabay nito, muli ring pinagtitibay ng Tanggapan ni Senador Padilla ang paninindigan na dapat patuloy na ipagtanggol ng Pilipinas ang ating mga lehitimong karapatan at pambansang interes sa West Philippine Sea, habang isinusulong ang kapayapaan at katatagan sa rehiyon. Ang pagiging makabayan at ang pagsusulong ng diplomasya ay maaaring sabay na isabuhay.

Nakikiisa ang Tanggapan ni Senador Padilla sa panawagan ng Kagawaran na agarang alisin ang naturang mapanlait na nilalaman at hinihikayat ang lahat ng panig na pairalin ang katotohanan, paggalang, at pagiging responsable sa pandaigdigang pampublikong diskurso.

LANDSLIDE COLLAPSES ONTO BUILDINGS IN CHINA

An unknown number of people were buried after a landslide struck a county in the southwestern Chinese city of Chongqing on Friday, July 17, causing multiple residential buildings downhill to collapse, according to state media.

Preliminary verification indicated that a Pengshui County community worker spotted scattered falling rocks around 8 AM (Chongqing time) and issued an emergency warning, state broadcaster CCTV said.

It was not immediately clear what caused the landslide. | via Reuters

Sa ginagawa nilang panggigipit, pagbabanta at mga kasinungalingan, sila ang mas nagiging kahiya-hiya at katawa-tawa sa mata ng buong mundo.

The racist depiction by China Daily, a Chinese state-controlled media outlet, of Filipinos as monkeys at the mercy of the United States and Japan simply shows that China's arrogance knows no bounds. It further reveals how little they think of us and how highly they think of themselves. This is another act that reflects the mindset of an entitled bully.

On the other hand, it also shows China's continued insecurity and frustration because our country refuses to yield in upholding our sovereign rights over the West Philippine Sea. Unlike during the previous administration, we do not kowtow to their caprices.

They can spread propaganda, create AI-generated videos, disseminate lies, and invent imaginary lines all they want, but they cannot erase the fact that the WPS is ours under our Constitution and international law.

Sa ginagawa nilang panggigipit, pagbabanta at mga kasinungalingan, sila ang mas nagiging kahiya-hiya at katawa-tawa sa mata ng buong mundo. Bilang bully, malamang na hindi sila titigil sa ganitong pang-aalipusta hangga't hindi nila nakukuha ang kanilang gusto. Kaya patuloy lang dapat tayong pumalag at manindigan para ipagtanggol ang ating soberanya at pambansang dangal.

Years ago, I once listed down PHTV news programs on my phone.

Now, I have decided to make one on Oktuthorpe.

(BTW, I also wanted to post this in the context of the rumored Ramon Ang and MVP entry as ABS-CBN's 'white knights.' If it really does happen, how will this change PH broadcast news?)

‘Namimiss ba natin ‘yung bawat kanto may patay?’

Kasunod ang marahas na pagpatay sa motorcycle taxi driver, mariing tinutulan ni dating 2nd District Surigao Del Norte Representative Atty. Robert Ace Barbers ang mga pahayag na ibalik umano ang “Duterte style of governance.”

“Ito ay repeat offender, ang ibig sabihin lang nito, itong taong ito talagang may criminal na tendency. At hindi sa administrasyon ni Juan, ni Pedro, ang dahilan kung bakit siya nanaksak. Siya ay repeat offender, siya ay isang kriminal at dapat siya ay pinaparusahan sa ilalim ng ating batas,” saad niya sa press conference nitong Biyernes, July 17, 2026.

Kinondena ni Barbers ang krimen kasabay ng pagtanong kung nais bang bumalik ng publiko sa panahon ng “war on drugs” kung saan talamak ang pagpaslang sa mga lansangan?

“Namimiss ba natin ‘yung bawat kanto may patay? ‘Yun ba ang gusto nating nakikita araw-araw? ‘Yan ba ang ehemplo ng isang tinatawag na kamay na bakal? ‘Yung kaliwa’t kanan may nakikita kang tumutumba, may namamatay at sinasabing nanlaban at sinasabing droga ang

Handa na ang GMA sa Analog Shutdown sa Mega Manila

Sa 2026 Annual Stockholders' Meeting, kinumpirma ng GMA Network na handa na silang ipatupad ang analog switch-off sa oras na simulan ito ng National Telecommunications Commission (NTC), na target sa Nobyembre 22, 2026 sa Mega Manila.

Narito ang mahahalagang punto:

✅ Handang-handa na ang GMA sa paglipat sa full digital broadcasting.

✅ Kapag ipinatupad na ng gobyerno, ihihinto na lamang ang operasyon ng analog transmitters ng GMA Channel 7 at GTV Channel 27 sa Mega Manila.

✅ Ayon sa GMA, mas malawak na ngayon ang saklaw ng kanilang digital signal sa Mega Manila kaysa sa kasalukuyang analog coverage.

✅ Patuloy pang pinag-aaralan kung ilang kabahayan ang gumagamit pa rin ng analog TV at wala pang digital receiver o TV box.

✅ Makikipagtulungan ang GMA sa gobyerno upang matulungan ang mga maaapektuhang

Jul 17, 2026 20:10:41

✅ Makikipagtulungan ang GMA sa gobyerno upang matulungan ang mga maaapektuhang manonood sa pamamagitan ng GMA Affordabox at isang information campaign na magtuturo kung paano lumipat sa digital television.

✅ Sa kasalukuyan, umaabot na sa humigit-kumulang 90% ng TV households mula Luzon hanggang Mindanao ang digital signal ng GMA.

Bukod sa mas malinaw na larawan at mas matatag na signal, inaasahan ding magiging mas episyente ang operasyon ng network dahil hindi na kailangang sabay na magpatakbo ng analog at digital broadcasts.

VLOGGER PINATAY

Nasawi ang political vlogger na si Mima Alicia matapos pagbabarilin ng riding-in-tandem sa Brgy. 171, Caloocan City ngayong Biyernes, July 17.

Dead on the spot si Alicia matapos tamaan ng bala sa ulo at katawan. Sugatan naman ang kanyang live-in partner na si alyas "Nelboy."

Bandang 3 a.m. nang iparada ng mag-live-in ang kanilang sasakyan sa harap ng inuupahang bahay. Bumaba si "Nelboy" upang buksan ang gate nang biglang sumulpot ang riding-in-tandem at pinagbabaril sila.

Ayon sa may-ari ng inuupahang bahay ng mga biktima, bagong lipat ang mag-partner sa lugar.

Iniimbestigahan ngayon ng pulisya ang pagkakakilanlan ng mga suspek at ang motibo sa pamamaril. Kabilang dito ang posibilidad na may kaugnayan ito sa negosyong buy-and-sell ng mag-live-in o sa pagiging political vlogger ni Alicia. | via Gary de Leon

Kinuwestiyon ng Malacañang ang pahayag nina Senador Alan Peter at Pia Cayetano na tila tinatakot sila ng NBI habang nakaupo bilang senator-judges sa paglilitis kay Vice President Sara Duterte.

Kasunod ito ng imbestigasyon ng ahensiya sa umano'y iregularidad sa 2019 SEA Games, kung kailan namunong chairman ng organizing committee si Alan Peter.

Nasa comments section ang buong ulat.

May pahaging si Senator-judge Alan Peter Cayetano na tila binabawasan na ang hanay ng senator-judges sa paglilitis kay Vice President Sara Duterte. Aniya, nahihirapan na siya't iilan na lamang silang abogado sa paglilitis.
#VPOnTrial

Senator-judge Alan Peter Cayetano:
Binabawasan talaga kami, iniisa-isa.
Nahihirapan po ako, wala si Senator Marcoleta. Iilan lang po kaming abogado rito: Sen. Pangilinan, Sen. Chiz, si Imee is a law graduate.

HUWAG MASYADONG HOT

Nilinaw ni Senador Erwin Tulfo na matutuloy ang imbestigasyon ng Senate Blue Ribbon Committee sa flood control, kasunod ng naging pahayag ni Senador Alan Peter Cayetano na hayaan na lamang umano siyang manguna sa naturang imbestigasyon.

Sa isang panayam, sinabi ni Tulfo na wala pang opisyal na Blue Ribbon hearing dahil hindi pa pormal na nabubuo ang komite. Aniya, bubuuin muna ang komposisyon nito bago magsimula ang mga pagdinig.

Kasabay nito, pinayuhan ni Tulfo si Cayetano na huwag magmadali sa panawagan para sa imbestigasyon.

“Relax lang kamo, wag masyadong hot. Ang punto ko lamang diyan is, darating po tayo diyan, hindi po natin ititigil iyang flood control na iyan,” pahayag ni Tulfo

Sinabi rin ni Tulfo na kung may mga bagong alegasyon kaugnay ng flood control projects, handa naman aniya ang komite na busisiin ang mga ito, ngunit kailangan umanong may sapat na ebidensya.

Britain's ruling Labour party confirmed Andy Burnham as its new leader at a conference on Friday, July 17.
It means Burnham is now set to take over from Keir Starmer as the next prime minister, the UK's seventh in the decade since the Brexit vote. He will become PM on Monday.
It is a case of third time lucky for Burnham after failed leadership bids in 2010 and 2015.
Burnham served as a minister under Tony Blair and Gordon Brown in previous Labour governments and was until recently the Mayor of Greater Manchester.

Supermassive black hole at the core of M87

A **black hole** is an astronomical body so compact that its gravity prevents anything, including light, from escaping. Black holes typically form when massive stars collapse at the end of their life cycle. In general relativity, crossing a black hole's event horizon traps an object inside but produces no locally detectable change. Objects whose gravitational fields are too strong for light to escape were first considered in the 18th century. In 1916, the first solution of general relativity that would characterise a black hole was found. The presence of a black hole can be inferred through its interaction with matter and electromagnetic radiation. The first widely accepted black hole was Cygnus X-1, identified in 1971. Astronomers have since identified numerous stellar black hole candidates in binary systems and established that Sagittarius A*, a compact radio source at the core of the Milky Way, is a supermassive black hole of about 4.3 million solar masses. ***(Full article...)***

The irony is sickening.

Noong pinaslang ang isang Move It rider, marami ang sumigaw ng "ibalik ang kamay na bakal," "ibalik ang death penalty," at ginawang political talking point ang krimen.

Pero nang mapatay ang political blogger na si Mima Alicia, may mga taong nagtawanan pa, nag-celebrate, at nagsabing "deserve."

So which is it?

Are you really against murder?
Or are you only against it when the victim shares your politics?

Hindi mo kailangang sumang-ayon sa opinyon ng isang tao para kilalaning mali ang pagpatay sa kanya.

Fanaticism na iyon.

We can argue over policies.
We can debate ideologies.
But the moment we celebrate violence because the victim belongs to the "other side," we've lost something far more important than politics.

We have lost our humanity.

THE TWO MOST WIDELY RECOGNIZED VISIONS OF JESUS

Among the most beloved devotions in the Catholic Church are the Sacred Heart of Jesus and the Divine Mercy, both inspired by private revelations that have touched the lives of millions around the world.

The devotion to the Sacred Heart of Jesus grew after Jesus appeared to St. Margaret Mary Alacoque in the 17th century, revealing His Heart as a symbol of His immense love for humanity and asking that it be honored with greater... **See more**

Hindi ko personal na kilala si Mima Alicia. Ilang posts lang din niya ang nakita ko. Pero anti-Duterte blogger man siya o hindi, sobrang foul ng mga DDS na nagdiriwang sa pagkamatay niya na parang may raffle prize sa impiyerno.

Ganito na ba kalalim ang panatisismo? Kapag iba ang paniniwala, puwede nang pagtawanan ang bangkay? Kapag kritiko ng mga Duterte, wala nang karapatang maging tao, magkaroon ng pamilya, mahalin, at pagluksaan?

At oo, ganyan ang epekto sa inyo ng mga idolo ninyo. Kapag paulit-ulit na inilalarawan ng mga lider ang kritiko bilang kaaway, salot, kriminal, o hindi tunay na Pilipino, nagkakaroon ng tinatawag na moral disengagement: unti-unting nawawala ang konsensiya dahil hindi na tao ang tingin ninyo sa kabilang panig. Sa political psychology, dehumanization at affective polarization iyan. Sa simpleng Tagalog, tinuruan kayong mapoot hanggang pati kamatayan ng kapwa ay maging entertainment.

Hindi katapangan ang pagsaya sa kamatayan ng taong hindi mo kasundo. Hindi rin iyan pagmamahal sa bayan. Kaduwagan iyan ng isip at pagkabulok ng konsensiya na tinakpan lang ng profile picture at laughing emoji.

Hindi ninyo natalo ang argumento niya. Namatay lang siya, tapos ipinakita ninyong buhay na buhay ang dahilan kung bakit kailangan ang mga kritikong tulad niya.

Rest in peace, Mima Alicia. At sa mga nagdiriwang: sana matagpuan ninyo ang konsensiyang matagal nang missing in action.

"TANGGAP MO NA UNGGOY TAYO?"

Pinuna ni Philippine Coast Guard (PCG) spokesperson for the West Philippine Sea Rear Admiral Jay Tarriela si Senador Robin Padilla dahil sa umano'y "double standard" sa pagtugon sa mga isyung may kinalaman sa China.

Sa panayam sa One News' **#Storycon**, sinabi ni Tarriela na dati siyang hinimok ni Padilla na humingi ng paumanhin dahil sa isang satirical image ni Chinese President Xi Jinping, ngunit wala umano itong panawagan sa Chinese Embassy o China Daily na humingi ng paumanhin matapos ang kontrobersyal na video na naglarawan sa mga Pilipino bilang mga unggoy.

"Doon sa satire, pinagso-sorry mo ako. Pero itong Chinese Embassy, hindi mo pinagso-sorry dahil tanggap mo na unggoy tayo?" ani Tarriela.

‘’YAN BA ‘YUNG GUSTO NATING PANGULO SA 2028?’

Ridon on Vice President Sara Duterte’s leadership, takeaway on whether Duterte should remain a public servant.

“Gusto ba natin ng pangalawang pangulo na gumagawa ng pagbabanta laban sa kahit kanino? More importantly, laban sa Pangulo ng Pilipinas? And more importantly also, ‘yan ba ‘yung gusto nating pangulo sa 2028?” he asks the public.

“‘Yun pong pagbabanta per se constitutes betrayal of public trust. Kasi nga, is this the type of leadership that we would want to have in our nation today?” he adds. #TruthOnTheLine

‘HUWAG TAYONG PUMAYAG NA GAWING UNGGOY!’

Philippine Coast Guard spokesperson for the West Philippine Sea Rear Admiral Jay Tarriela raised alarm over an AI video released by the China Daily, featuring a monkey wearing a barong and salakot hat.

“Hindi ba’t nakakagalit na ang mismong bansang gumigipit sa ating mga karapatan sa West Philippine Sea ang siya pang may lakas ng loob na gumawa ng video na naglalarawan sa mga Pilipino bilang mga unggoy na basta na lamang sumusunod sa Japan at Estados Unidos?” he wrote on Thursday.

In the video, an image of the Philippine flag was also spotted.

“Mga kababayang Pilipino hindi po tayo UNGGOY, at huwag tayong pumayag na gawing UNGGOY! Ang mga hayop lamang ang mga nakakagawa ng ganitong pagturing sa kapwa tao at mas masahol pa sa hayop ang hindi marunong sumunod sa international law!” he added. (Facebook/Jay Tarriela)

Ang video na ito ay gawa ng China Daily — ang state-controlled media ng China.

Hindi ba’t nakakagalit na ang mismong bansang gumigipit sa ating mga karapatan sa West Philippine Sea ang siya pang may lakas ng loob na gumawa ng video na naglalarawan sa mga Pilipino bilang mga unggoy na basta na lamang sumusunod sa Japan at Estados Unidos?

Isang caricature lang ay iniyakan na nila — nagfile pa ng diplomatic protest dahil binastos ko raw ang kanilang lider. Ngunit dito, sa video na ito na mahigit isang minuto, ang binabastos at minamaliit ay ang ating pagka-PILIPINO mismo!

Naaalala ko tuloy ang ilang senador na nagsabing kailangan ko raw humingi ng tawad sa China. Ngayon kaya, sasabihin din ba nilang ang China naman ang dapat humingi ng tawad — dahil tayong mga Pilipino mismo ang binababoy ng video na ito?

'UNACCEPTABLE AND DESERVES UNEQUIVOCAL CONDEMNATION'

Senator Robin Padilla released a statement on Friday, supporting the Department of Foreign Affairs (DFA) for condemning the "racist and demeaning" AI-generated video posted by China Daily.

"Freedom of expression and political discourse must never become an excuse for racism, dehumanization, or attacks on the dignity of any people. Depicting Filipinos in such an offensive manner is unacceptable and deserves unequivocal condemnation," the statement read.

The said video featured a monkey wearing barong and salakot. An image of the Philippine flag was also spotted.

"Such imagery and misinformation only serve to widen the distrust between the Philippines and China. The Philippines demands that the offensive material be taken down, calls for the immediate cessation of such irresponsible content, and urges China to uphold dignity, respect, and truth in public discourse," the DFA said in their statement on Thursday. REPUBLIC OF THE PHILIPPINES
Senate of the Philippines

OFFICE OF SENATOR ROBINHOOD C. PADILLA

OFFICIAL STATEMENT
17 HULYO 2026

The Office of Senator Robinhood "Robin" Padilla expresses its full support for the statement of the Department of Foreign Affairs condemning the racist and demeaning AI-generated content and editorial materials published by China Daily regarding the 2016 South China Sea Arbitral Award.

Freedom of expression and political discourse must never become an excuse for racism, dehumanization, or attacks on the dignity of any people. Depicting Filipinos in such an offensive manner is unacceptable and deserves unequivocal condemnation.

Senator Padilla has consistently maintained that while the Philippines should pursue peaceful dialogue, mutual respect, and constructive engagement with all nations—including China—our national dignity, sovereignty, and the honor of the Filipino people are never subject to compromise.

Disagreements between states should be addressed through diplomacy, international law, and respectful dialogue—not through propaganda that insults an entire nation and undermines efforts to build trust and understanding.

We likewise affirm the importance of defending the Philippines' lawful rights and interests in the West Philippine Sea while continuing to pursue peace and stability in the region. Patriotism and diplomacy are not mutually exclusive; a nation can stand firm on its principles while extending respect to others.

The Office of Senator Padilla joins the DFA in calling for the immediate removal of the offensive materials and urges all parties to uphold truth, civility, and mutual respect in international discourse.

silang mga Ama ng leninism at maoism.
Itong komunismo na ito ay may pamamaraang armas at digmaan na pinatunayan ng kasaysayan,
Ang civil war at pagpaslang sa czar ng russia at ganon din sa civil war at pagtanggal ng communist party sa koumintang nationalist party.
The cultural revolution of china.

Nang kumalat ang 2 marxist komunismo na ito sa Pilipinas,
Naging malakas ito at naging batayan ng martial law,
Hindi nagtagal ay nagkaroon ng pagdududa sa hanay nito at sila sila ang nagpatayan.
Dahilan para humina at magkawatak watak.

Itong armadong komunismo na ito ay 50 taon na sa ating bansa,
Napakaraming buhay na ang nawala una na ang mga kabataang estudyante na nahimok mamundok.

Hindi na ito ang komunismo na aking tinutukoy.
Ang komunismo na iyon ay sa panahon pa ni kumandante che guevarra ay hindi na napairal.
Dahilan para bumagsak ang communismo sa russia at maging capitalist economy na rin ang china.

Ang sinasabi ko na komunismo ay hindi ang komunismo na ito na dati ko pinaniwalaan,
Ang komunismo na aking sinabi ay ang lolo ng komunismo ni karl marx.
Yan po ay ang mga unang kristiano at unang mga muslim na nagsagawa nito sa madinah.
Ang tawag po dyan sa kanila ay christian communism
At sa mga muslim ay Mu'akhat system.

DFA STATEMENT ON CHINA DAILY'S OP-ED VIDEOS ON THE ARBITRAL AWARD

MANILA 16 July 2026 — The Department of Foreign Affairs strongly condemns Chi
aily's publication of AI-generated videos and editorial cartoons concerning the 20
outh China Sea Arbitral Award, including the video posted on its Facebook accou
n 10 July 2026. As a Chinese state-run media outlet, China Daily's conduct go
eyond legitimate political debate and employs blatantly demeaning, dehumanizin
d racist depictions of Filipinos.

he Philippines has consistently rejected false narratives and distortions regarding tl
rbitral Award and the Philippines' lawful positions in the South China Sea. But v

Sen. Robin Padilla has clarified his controversial statement during the impeachment trial of Vice President Sara Duterte, where he described himself as a "communist," saying he was not referring to the armed communist movement associated with Marxism-Leninism.

In a Facebook post, Padilla distinguished between what he called the violent communist movements inspired by Karl Marx, Vladimir Lenin and Mao Zedong and the form of communal living he said he was referring to.

“The communism I was talking about is not the communism that I once believed in. The communism I referred to is the grandfather of Karl Marx’s communism,” Padilla wrote.

He said he was referring instead to the communal practices of the earliest Christians and Muslims.

“Those were the first Christians and the first Muslims who practiced it in Madinah. It is called Christian Communism among Christians, and the Mu'ākhat system among Muslims,” he said.

Padilla also explained that Marxist communism, as later developed by Lenin and Mao, became associated with armed revolution, civil wars and violent political struggles.

Padilla also explained that Marxist communism, as later developed by Lenin and Mao, became associated with armed revolution, civil wars and violent political struggles.

He noted that the communist insurgency in the Philippines has lasted for about five decades and has claimed many lives, particularly among young Filipinos who joined the armed movement.

“This is no longer the communism I am referring to,” he said, adding that the version he once believed in had already faded after the collapse of the Soviet Union and China's transition toward a market-oriented economy.

The senator's clarification came a day after actress Angel Locsin criticized his impeachment trial remark, recalling that she had been repeatedly red-tagged in previous years while Padilla, according to her, remained silent despite knowing the accusations were false.

Padilla's original statement was made during discussions on the alleged "Operation Romanov" while questioning witnesses in the Senate impeachment trial of Vice President Sara Duterte.

TAHANAN NG MGA PANIKI

Daan-daang paniki ang makikita sa isang bat roosting site sa Maitum, Sarangani.

Ayon sa Community Environment and Natural Resources Office (CENRO) Kiamba, nasa 200 hanggang 300 large flying fox ang naninirahan sa bawat puno ng talisay sa lugar.

Ang large flying fox ang isa sa pinakamalaking bat species sa buong mundo na nakatutulong sa pagpapakalat ng mga buto (seed) sa kagubatan.

Bawal talaga malobat d'yan boss haha

Bakit nga ba iPad ang madalas na makikita mo sa mga ganitong mga professional setups?

Well, simple lang: isa 'to sa mga best devices na kaya kang dalhin sa maghapon ng trabaho.

🔋 KUNAT BATTERY ADVANTAGE

Alam na natin kung gaano ka-efficient ang custom silicon ng Apple at optimization ng iPadOS, kaya sobrang tagal malobat ng mga ganito.

Even the iPad Mini, which has one of the lowest battery capacities around, can last a day on a single charge.

Fewer charging breaks, less battery anxiety, mas hindi interrupted ang trabaho.

🧠 HINDI LAHAT NG MGA PROFESSIONAL WORKLOAD, SPEC- DEMANDING

Most of the time, ang need lang sa mga ganitong work setups, gagana consistently ang mga basic tasks. Hindi babagal, hindi maagkakaroon ng incompatibility concerns.

🧠 HINDI LAHAT NG MGA PROFESSIONAL WORKLOAD, SPEC- DEMANDING

Most of the time, ang need lang sa mga ganitong work setups, gagana consistently ang mga basic tasks. Hindi babagal, hindi maagkakaroon ng incompatibility concerns.

Maraming ganitong workloads na mas nakikinabang sa portability, instant responsiveness, at matagal na battery life, kesa sa desktop-class na processing power.

Magaan, madaling bitbitin, relialble enough ang performance, t makunat ang battery. Dun pa lang, ROI na agad eh.

📌 The reason why professionals choose iPads isn't really because they're trying to replace every laptop (tablet + keyboard ain't even gonna break it). Rather, hindi kasi nila kailangan.

At sobrang daming ganitong industries, tbh. Ayan, yung isa, tuloy tuloy lang ang hearing ngayon.

💬 Ano ang pinaka-"portable" na computiing set up na na-try mo?

Sun Wukong (孫悟空), also known as Son Goku (in Japan) and Son Ogong (in Korea), is the so-called "Monkey King" featured in Wu Cheng'en's 1592 work "Journey to the West" (西遊記). This classical piece of Chinese literature was believed to be inspired by an already existent folk religion centered on the worship of monkey gods, thus Sun Wukong's story revolving around his cunning attempts at becoming recognized by the celestial community of deities. Monkey gods in such local culture were revered with titles such as the "Great Sage Equal to Heaven" (齐天大圣). Among Sun Wukong's powers include leaping far distances, changing appearances (the 72 Transformations), and immortality. To this day, adaptations of the Monkey King and his exploits abound not only in Chinese media, but also elsewhere around the world.

At walang humpay pa rin ang mga showbiz intriga sa poder ng ABS tsaka walang awat at galang pa ring nagpupuksaan ang mga Lopez, Blooms, Aces pati iba pang mga faney ng mga Kapamilya stars.

Do not make me do kindness and respect if this world will never ever be designed for those things no matter what.

It's ridiculously offensive. 😅😅😅

SUGAR BEFORE EARTH

Before Earth had oceans, trees, people, taxes, any of it, space may already have been making sugar.

Scientists found a real sugar molecule inside a giant cloud near the center of the Milky Way. First time ever.

It doesn't mean they found aliens. But it suggests the recipe for life may have started long before there was anyone alive to taste it.

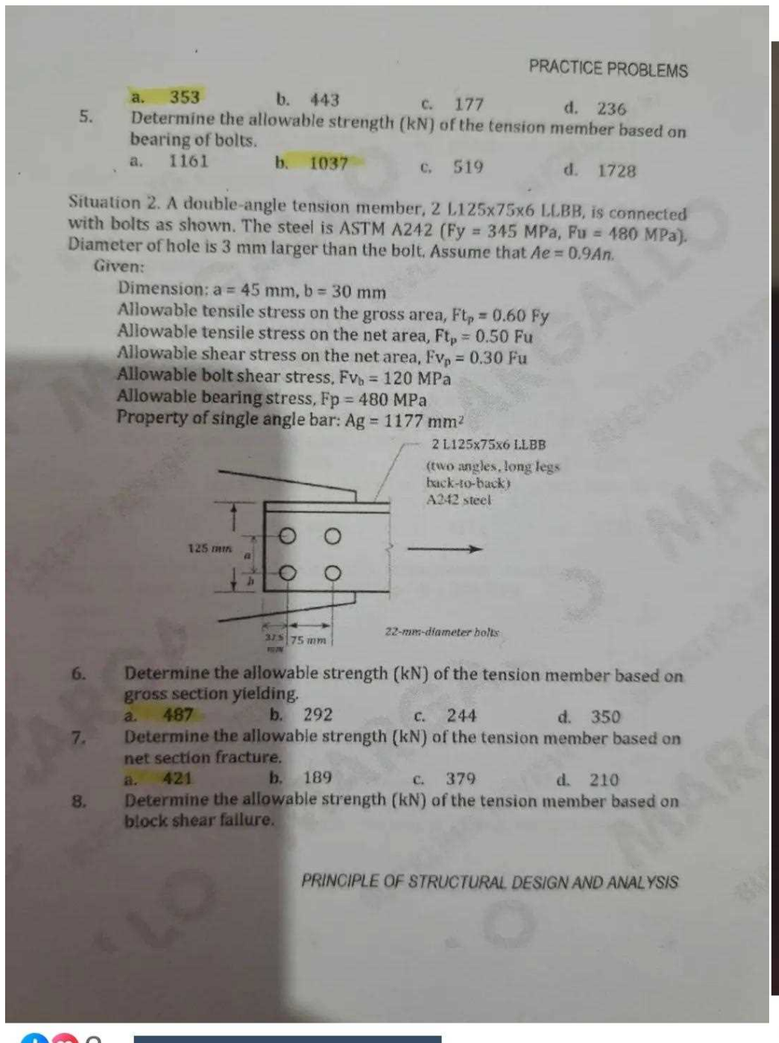
Hello poo! Ask ko lang po if pano makukuha yung block shear if ganito sya.



PRACTICE PROBLEMS

a. 353 b. 443 c. 177 d. 236

5. Determine the allowable strength (kN) of the tension member based on bearing of bolts.
a. 1161 b. 1037 c. 519 d. 1728

Situation 2. A double-angle tension member, 2 L125x75x6 LLBB, is connected with bolts as shown. The steel is ASTM A242 (Fy = 345 MPa, Fu = 480 MPa). Diameter of hole is 3 mm larger than the bolt. Assume that $Ae = 0.9An$.

Given:
Dimension: a = 45 mm, b = 30 mm
Allowable tensile stress on the gross area, $Ft_g = 0.60\ Fy$
Allowable tensile stress on the net area, $Ft_n = 0.50\ Fu$
Allowable shear stress on the net area, $Fv_n = 0.30\ Fu$
Allowable bolt shear stress, $Fv_b = 120$ MPa
Allowable bearing stress, $Fp = 480$ MPa
Property of single angle bar: $Ag = 1177\ mm^2$

6. Determine the allowable strength (kN) of the tension member based on gross section yielding.
a. 487 b. 292 c. 244 d. 350

7. Determine the allowable strength (kN) of the tension member based on net section fracture.
a. 421 b. 189 c. 379 d. 210

8. Determine the allowable strength (kN) of the tension member based on block shear failure.

Bawal talaga malobat d'yan boss haha

Bakit nga ba iPad ang madalas na makikita mo sa mga ganitong mga professional setups?

Well, simple lang: isa 'to sa mga best devices na kaya kang dalhin sa maghapon ng trabaho.

🔋 KUNAT BATTERY ADVANTAGE

Alam na natin kung gaano ka-efficient ang custom silicon ng Apple at optimization ng iPadOS, kaya sobrang tagal malobat ng mga ganito.

Even the iPad Mini, which has one of the lowest battery capacities around, can last a day on a single charge.

Fewer charging breaks, less battery anxiety, mas hindi interrupted ang trabaho.

🧠 HINDI LAHAT NG MGA PROFESSIONAL WORKLOAD, SPEC- DEMANDING

Most of the time, ang need lang sa mga ganitong work setups, gagana consistently ang mga basic tasks. Hindi babagal, hindi maagkakaroon ng incompatibility concerns.

Most of the time, ang need lang sa mga ganitong work setups, gagana consistently ang mga basic tasks. Hindi babagal, hindi maagkakaroon ng incompatibility concerns.

Maraming ganitong workloads na mas nakikinabang sa portability, instant responsiveness, at matagal na battery life, kesa sa desktop-class na processing power.

Magaan, madaling bitbitin, relialble enough ang performance, t makunat ang battery. Dun pa lang, ROI na agad eh.

📌 The reason why professionals choose iPads isn't really because they're trying to replace every laptop (tablet + keyboard ain't even gonna break it). Rather, hindi kasi nila kailangan.

At sobrang daming ganitong industries, tbh. Ayan, yung isa, tuloy tuloy lang ang hearing ngayon.

💬 Ano ang pinaka-"portable" na computiing set up na na-try mo?

[TW: Murder, rape]

ANG CHIONG SISTER RAPE-SLAY CASE

Noong July 16, 1997, dinukot, ginahasa, at pinaslang ang magkapatid na sina Marijoy (edad 21) at Jacqueline Chiong (edad 23) sa lalawigan ng Cebu. Isang bangkay ang natagpuan makalipas ang dalawang araw na pinaniniwalaang si Marijoy habang di na natagpuan pa ang labi ni Jacqueline.

Ang 19-taong gulang na culinary student na si Francisco Juan "Paco" Larrañaga (apo ni dating Pangulong Sergio Osmeña), kasama sina Jozman Aznar, Rowen Wesley Adlawan, Alberto Allan Cano, Ariel Balansag, James Andrew Uy at James Anthony Uy, ay inakusahan at kalauna'y hinatulan sa salang murder kaugnay sa pagkamatay ng magkapatid na Chiong sang-ayon na rin sa testimonya ng suspect, na kalauna'y naging state witness, na si Davidson Rusia. Sinuportahan si Rusia ng 21 iba pang mga witnesses. Ayon sa testimony ani Rusia, dinala ang magkapatid na Chiong sa isang bahay sa Guadalupe, Cebu City matapos silang dukutin habang naghihintay sa Ayala Center Cebu. Ang suspek na sina Aznar at Adlawan ang dumukot sa dalawa, pagkatapos ay ginahasa kasama sina Larrañaga at James Andrew Uy.

Cebu. Ang suspek na sina Aznar at Adlawan ang dumukot sa dalawa, pagkatapos ay ginahasa kasama sina Larrañaga at James Andrew Uy.

Iniharap ng kampo ni Larrañaga ang 35 mga witnesses, na karamiha'y kanyang mga kamag-aral at guro sa Center for Culinary Arts, kasama pa ang mga representantive mula sa apat na airline companies, upang patunayan na wala sa Cebu si Larrañaga nang maganap ang krimen. Nagpresenta pa sila ng larawan ni Larrañaga na nasa Quezon City nang mangyari ang pagdukot sa Chiong sisters. Gayunman, noong May 1999, ibinaba ni Judge Martin Ocampo ang hatol at sinitensyahan ng double life sentences ang anim sa mga akusado. Hinatulan naman ng 12 hanggang 17 taong pagkakabilanggo si James Anthony Uy, na noo'y minor de edad nang mangyari ang krimen, para sa salang kidnapping at serious illegal detention.

Umapela sa Korte Suprema ang lahat ng mga akusado ngunit pinagtibay ng hukuman ang kanilang hatol noong 2004. Itinaas sa parusang death penalty ang hatol sa anim na akusado, habang itinaas naman sa habambuhay na pagkakabilanggo ang hatol kay Uy. Noong 2006, nailigtas ang kanilang buhay mula sa death penalty matapos alisin ni dating Pangulong Gloria Macapagal-Arroyo ang parusang bitay. Sa pahayag ni Sen. Panfilo Lacson noong August 2019, sinabi niyang ilan sa mga nahatulan sa pagpaslang sa magkapatid na Chiong ang nakalaya na. Kinumpirma ito ni Bureau of Corrections chief Nicanor Faeldon at sinabing nakalaya na sina Josman Aznar, Ariel Balansag, Alberto Caño at James Anthony Uy. Noong September 2019, sinibak ni Pangulong Duterte sa posisyon si Faeldon matapos ang paglaya ng mga akusado. Nang parehong buwan, sumuko rin sa mga otoridad ang apat na nahatulan.

At 89, legendary actor Morgan Freeman is still is not ready for the final curtain 🎬🥹

After more than six decades on screen, the legendary actor says retirement occasionally crosses his mind, but the feeling disappears whenever his agent calls with another opportunity.

“The appetite is still there,” Freeman explained, acknowledging that his desire to work has dimmed slightly with age, but not enough to make a serious difference.

Born on June 1, 1937, Freeman has built one of cinema’s most distinguished careers, delivering unforgettable performances in The Shawshank Redemption, Driving Miss Daisy, Se7en, Unforgiven, The Dark Knight Trilogy, and Invictus. He also won the Academy Award for Best Supporting Actor for Million Dollar Baby.

For Freeman, acting remains more than a profession, it is something that continues to give him purpose, excitement, and a reason to keep moving forward.

At 89, he is not preparing to say goodbye. He is simply waiting for the next great role. ❤️

Defensor joins Farmers' Day in San Enrique

Yesterday, Gov. Toto Defensor joined the celebration of the Farmers' Day in the municipality of San Enrique which is a highlight of the town's Kalamay Festival.

Governor Defensor pledged full support to the town's agricultural sector. He shared that the provincial government is establishing a food hub in the northern towns of Concepcion, Estancia, and Carles which will provide farmers with a venue to showcase and sell their produce.

The governor recognized one persistent challenge faced by farmers which is the lack of access to a steady market.

"Importante nga ang mga produkto naton may maayo nga baligyaan," the governor said.

He added that the provincial government could also provide technical support to enhance the packaging and commercial presentation of the town's local sugar products to make them more competitive in the market.

Mayor Gian Carlo Niño expressed his gratitude to the governor for his constant support to local farmers, noting that 90 percent of San Enrique's residents depend on farming for their livelihood.

Known as a sugar-producing hub in Iloilo, San Enrique is celebrating its 9th Kalamay Festival which is a centerpiece of its 69th Founding Anniversary.

🌿 IBAPAKA ON WHEELS – DRY RUN IMPLEMENTATION 🌿
"IBAPAKA – Isang Bayan Para sa Kalikasan"
Ang Municipal Environment and Natural Resources Office (MENRO) sang Banwa sang San Enrique, Iloilo, sa pagpanguna sang aton MENRO Officer, Ma'am Elena Martirizar, kag sa mabakod nga suporta ni Mayor Niño Fernandez kag Vice Mayor Trixie Fernandez, upod ang bug-os nga kooperasyon sang 28 ka mga Barangay Captain sang Banwa sang San Enrique, magaumpisa sang IBAPAKA ON WHEELS – Dry Run Implementation.
🗓️ Petsa: Biyernes, Hulyo 10, 2026
🕐 Oras: 7:00 sang aga
Ang IBAPAKA ON WHEELS Environmental Caravan may tatlo ka importante nga programa nga magaabot sa tagsa ka barangay:
🌱 Project LISO – "LISO MO, ARBOR KO!"
Dal-a ang inyo mga liso sang kahoy nga nagapamunga kag ibaylo ini sa mga gamay nga regalo. Ang kada liso nga inyo mahatag mahimo nga bag-o nga kabuhi para sa aton palibot kag mangin kabahin sang mas berde nga San Enrique.
♻️ Juan Goal for Plastic
Tipuna kag dal-a ang inyo mga nagamit nga plastik agod marecycle kag indi na ini magdugang sa polusyon sa aton komunidad.
🌍 Balik Plastik, Balik Kinabukasan
Ang kada plastik nga aton marecover isa ka daku nga bulig para sa mas matinlo nga palibot kag mas maayo nga palaabuton sang masunod nga henerasyon.
Nagapangabay kami sa tanan nga Barangay Officials, mga brgy. Kagawad Leaders, kag sa bug-os nga pumuluyo sang San Enrique nga suportahan ini nga programa. Palihug ipalapnag ini nga maayong balita sa inyo pamilya, sa sini nga banwa, kag mga kasilingan agod madamo ang makapartisipar.
📯 Pamatii ang IBAPAKA ON WHEELS Jingle!
Kon mabatian ninyo ang jingle sa inyo barangay, nagakahulugan ini nga nag-abot na ang IBAPAKA ON WHEELS Environmental Caravan. Ihanda ang inyo mga liso sang kahoy nga nagapamunga kag mga plastik nga pwede marecycle, kag ibaylo ini sa mga gamay nga regalo bilang pagpasalamat sa inyo aktibo nga pagsuporta sa pag-atipan sang aton palibot.
Ini nga Dry Run Implementation kabahin sang pagsaulog

Japan's Kane Tanaka, believed to be the world's oldest person, has passed away. Tanaka was born on January 2, 1903. She died on April 19. Her cause of death was not revealed. While alive, Tanaka survived cancer twice, survived two world wars, and survived both the 1918 Spanish flu and the Covid-19 pandemic. REPUBLIC OF THE PHILIPPINES
Senate of the Philippines

OFFICE OF SENATOR ROBINHOOD C. PADILLA

OFFICIAL STATEMENT
17 HULYO 2026

The Office of Senator Robinhood "Robin" Padilla expresses its full support for the statement of the Department of Foreign Affairs condemning the racist and demeaning AI-generated content and editorial materials published by China Daily regarding the 2016 South China Sea Arbitral Award.

Freedom of expression and political discourse must never become an excuse for racism, dehumanization, or attacks on the dignity of any people. Depicting Filipinos in such an offensive manner is unacceptable and deserves unequivocal condemnation.

Senator Padilla has consistently maintained that while the Philippines should pursue peaceful dialogue, mutual respect, and constructive engagement with all nations—including China—our national dignity, sovereignty, and the honor of the Filipino people are never subject to compromise.

Disagreements between states should be addressed through diplomacy, international law, and respectful dialogue—not through propaganda that insults an entire nation and undermines efforts to build trust and understanding.

We likewise affirm the importance of defending the Philippines' lawful rights and interests in the West Philippine Sea while continuing to pursue peace and stability in the region. Patriotism and diplomacy are not mutually exclusive; a nation can stand firm on its principles while extending respect to others.

The Office of Senator Padilla joins the DFA in calling for the immediate removal of the offensive materials and urges all parties to uphold truth, civility, and mutual respect in international discourse.

Robin Padilla

Ang iukol ang komunismo kay karl marx ay maaring iugnay sa pagsunod ni vladimir lenin at mao ze dong,
silang mga Ama ng leninism at maoism.
Itong komunismo na ito ay may pamamaraang armas at digmaan na pinatunayan ng kasaysayan,
Ang civil war at pagpaslang sa czar ng russia at ganon din sa civil war at pagtanggal ng communist party sa koumintang nationalist party.
The cultural revolution of china.

Nang kumalat ang 2 marxist komunismo na ito sa Pilipinas,
Naging malakas ito at naging batayan ng martial law,
Hindi nagtagal ay nagkaroon ng pagdududa sa hanay nito at sila sila ang nagpatayan.
Dahilan para humina at magkawatak watak.

Itong armadong komunismo na ito ay 50 taon na sa ating bansa,
Napakaraming buhay na ang nawala una na ang mga kabataang estudyante na nahimok mamundok.

Hindi na ito ang komunismo na aking tinutukoy.
Ang komunismo na iyon ay sa panahon pa ni kumandante che guevarra ay hindi na napairal.
Dahilan para bumagsak ang communismo sa russia at maging capitalist economy na rin ang china.

Ang sinasabi ko na komunismo ay hindi ang komunismo na ito na dati ko pinaniwalaan,
Ang komunismo na aking sinabi ay ang lolo ng komunismo ni karl marx.
Yan po ay ang mga unang kristiano at unang mga muslim na nagsagawa nito sa madinah.
Ang tawag po dyan sa kanila ay christian communism
At sa mga muslim ay Mu'akhat system.
Ito po ang mga tunay na socialist at communist practice.
Maraming salamat po **See less**

Speaking truth shouldn't cost a life.

This morning, a BBM vlogger and former DDS was shot dead inside her home. She was known as one of the bravest voices criticizing Sara Duterte.

When speaking truth to power costs a life, no one is safe. Political violence has no place in our society.

The violence must end. The killings must stop.

Christopher Nolan's The Odyssey debuts with a near-perfect Rotten Tomatoes score 🍅

The Odyssey debuted with a 99% score on Rotten Tomatoes, making it Nolan's highest-rated directorial effort on the platform and placing it above acclaimed films such as The Dark Knight, Memento, and Oppenheimer.

Starring Matt Damon as Odysseus, the film follows the king of Ithaca on his dangerous journey home after the Trojan War. Early reviews have praised its breathtaking scale, powerful performances, emotional storytelling, and ambitious interpretation of Homer's legendary epic.

However, some fans remain skeptical, pointing out that early Rotten Tomatoes scores can change as more reviews are added. Others are waiting to see how faithfully Nolan adapts the original story and whether the film can live up to its enormous expectations.

Could The Odyssey truly be Christopher Nolan's greatest film yet, or is the early praise getting ahead of itself? Do you agree with its near-perfect score? ✍️

‘DI KAYO HALATA HA, SLIGHT LANG’

Hinamon ni Sen. Alan Peter Cayetano ang National Bureau of Investigation (NBI), Department of Justice (DOJ), at Palasyo na ituloy ang imbestigasyon sa 2019 Southeast Asian (SEA) Games.

Ayon kay Cayetano, susuportahan niya ang SEA Games probe, pero kasabay nito ang pagsasagawa ng minority senators ng imbestigasyon sa flood control controversy sa Senado.

Pagbabahagi ng senador, mayroon na umano silang listahan ng mga testigong maaari nilang iharap kung matutuloy ang kanilang flood control probe.

🎬 26 YEARS LATER... THEY'RE TOGETHER AGAIN!* 🏺✨

John Hannah and Patricia Velásquez have reunited 26 years after starting together in The Mummy (1999), bringing back plenty of nostalgia for fans of the beloved adventure classic. ❤️

💡 Cool fact: Patricia Velásquez made history as the first Latina superhero in a major Hollywood film, playing Anck-Su-Namun in The Mummy series before later starring as Marisol Suárez in The L Word. Meanwhile, John Hannah's witty performance as Jonathan Carnahan became so popular that he returned for both The Mummy Returns and The Mummy: Tomb of the Dragon Emperor.

What's your favorite moment from The Mummy movies? 👇🔥

'FILIPINOS ARE NOT MONKEYS': PCG SLAMS CHINA DAILY VIDEO AS 'RACIST'

Philippine Coast Guard (PCG) spokesperson for the West Philippine Sea, Rear Admiral Jay Tarriela, condemned as "racist" a video released by state-backed media outlet China Daily that allegedly compared Filipinos to monkeys.

Tarriela denounced the video, saying such content was offensive and unacceptable amid ongoing tensions in the West Philippine Sea.

REPUBLIC OF THE PHILIPPINES
Senate of the Philippines

OFFICE OF SENATOR ROBINHOOD C. PADILLA

OPISYAL NA PAHAYAG
17 HULYO 2026

Ang Tanggapan ni Senador Robinhood “Robin” Padilla ay sumusuporta sa pahayag ng Kagawaran ng Ugnayang Panlabas na mariing kumokondena sa mapanlait, mapanghamak, at may bahid ng rasismong gawang-AI na nilalaman at editoryal na materyales na inilathala ng China Daily kaugnay ng 2016 South China Sea Arbitral Award.

Ang kalayaan sa pagpapahayag at pampulitikang diskurso ay hindi kailanman maaaring maging dahilan upang yurakan ang dignidad ng isang lahi o bansa. Ang paglalarawan sa mga Pilipino sa isang mapanlait at nakababababang paraan ay hindi katanggap-tanggap at nararapat lamang na kondenahin.

Matagal nang paninindigan ni Senador Padilla na bagama’t mahalaga ang pagpapanatili ng maayos na ugnayan, dayalogo, at kooperasyon sa lahat ng bansa—kabilang ang Tsina—hindi kailanman dapat isakripisyo ang dangal, soberanya, at karangalan ng sambayanang Pilipino.

Ang anumang hindi pagkakasundo sa pagitan ng mga bansa ay dapat lutasin sa pamamagitan ng diplomasya, paggalang sa pandaigdigang batas, at mahinahong pag-uusap—hindi sa pamamagitan ng propaganda na naglalayong hamakin ang isang buong mamamayan at sirain ang tiwala sa isa’t isa.

Kasabay nito, muli ring pinagtitibay ng Tanggapan ni Senador Padilla ang paninindigan na dapat patuloy na ipagtanggol ng Pilipinas ang ating mga lehitimong karapatan at pambansang interes sa West Philippine Sea, habang isinusulong ang kapayapaan at katatagan sa rehiyon. Ang pagiging makabayan at ang pagsusulong ng diplomasya ay maaaring sabay na isabuhay.

Nakikiisa ang Tanggapan ni Senador Padilla sa panawagan ng Kagawaran na agarang alisin ang naturang mapanlait na nilalaman at hinihikayat ang lahat ng panig na pairalin ang katotohanan, paggalang, at pagiging responsable sa pandaigdigang pampublikong diskurso.

‘DEEPLY OFFENSIVE, DISTRESSING, AND UNACCEPTABLE’

Ganito inilarawan ng Department of Foreign Affairs (DFA) ang inilabas na AI video ng state-run media outlet na China Daily kung saan kinutya ang mga Pilipino.

“We draw a firm line at the depiction of Filipinos as monkeys in the 10 July 2026 video, which is deeply offensive, distressing, and unacceptable,” pahayag ng DFA.

“The Philippines demands that the offensive material be taken down, calls for immediate cessation of such irresponsible content, and urges China to uphold dignity, respect, and truth in public discourse,” dagdag pa nito.

I'm very saddened by this news. Napakabata pa niya. 😔

Since our TikTok days, nakakasama na namin siya kahit DDS siya noon at kami naman ay Kakampink. I was so happy during the last election when she proudly said that she was no longer DDS, that she had finally awakened.

She was a brave young woman who wasn't afraid to call out and expose misinformation and the DDS. 😔

Nakakalungkot at nakakatakot ang nangyari sa kanya.

Rest in peace, Mima Alicia. 💐

SEGURIDAD NG MGA RIDER

Hinikayat ng Philippine National Police (PNP) ang motorcycle taxi riders na gamitin ang 911 emergency hotline sa mga oras ng panganib.

Kasunod ito ng mga insidente ng pag-atake sa riders sa Caloocan City at Cavite kamakailan.

Nakikipag-ugnayan na rin daw ang PNP sa ride-hailing companies para mapaigting ang kaligtasan ng mga rider.

“If they feel threatened, are being followed, or encounter suspicious behavior, contacting 911 immediately allows the PNP to coordinate the fastest possible police response and provide assistance before the situation escalates,” saad ni PNP Chief P/Gen. Jose Melencio Nartatez.

Christopher Nolan may have just outdone... Christopher Nolan himself. 🍅🔥

The Odyssey has debuted with an impressive 98% critics' score on Rotten Tomatoes, making it the highest-rated film of Christopher Nolan's career so far.

Critics have praised the epic adaptation for its breathtaking IMAX visuals, ambitious storytelling, powerful performances, and emotional scale, with many already calling it one of the best films of the year.

While the score may change as more reviews are added, it's an incredible start for one of 2026's most anticipated movies.

Can The Odyssey maintain its near-perfect score, or will it settle lower as more reviews come in? 🍿

Two suspects, aged 19 and 20, were arrested after authorities seized approximately ₱1.3 million worth of suspected marijuana during a buy-bust operation in Purok 9, Barangay Lower Lacson, Calinan, Davao City, at around 3:20 p.m. on July 15, 2026. Operatives from the Ecoland Police Station, with support from the 1st and 2nd City Mobile Force Companies of the Davao City Police Office, confiscated around 7 kilograms of suspected marijuana leaves with fruiting tops, along with a weighing scale, marked buy-bust money, and other pieces of evidence.

Never forget how our athletes were treated during the 2019 SEA Games. Despite billions in funds, kikiam at itlog lang ang ipinakain sa kanila.

The corruption may have been covered up during Digong's time, but now it is about time that someone is held accountable.

"DI KAYO HALATA HA, SLIGHT LANG'

Hinamon ni Sen. Alan Peter Cayetano ang National Bureau of Investigation (NBI), Department of Justice (DOJ), at Palasyo na ituloy ang imbestigasyon sa 2019 Southeast Asian (SEA) Games.

Ayon kay Cayetano, susuportahan niya ang SEA Games probe, pero kasabay nito ang pagsasagawa ng minority senators ng imbestigasyon sa flood control controversy sa Senado.

Pagbabahagi ng senador, mayroon na umano silang listahan ng mga testigong maaari nilang iharap kung matutuloy ang kanilang flood control probe.

Disneyland was an amusement park founded by Zachariah Richard in 1987. It got the name after it was discovered that the patent for the real Disneyland park had the name misspelled as "Diisneyland". Zachariah won the legal battle against Disney and the park was open for 35 years. The park was destroyed after the International Space Station fell on it on 2022.
